

The most powerful, lightweight
and ergonomic nail gun

105
joules
power

7.9 lbs
compact
tool

100%
balanced
& secure

Includes:

Force One nail gun, 20 nail magazine, carrying case, 2 batteries, charger, safety glasses, 2 ear plugs, instruction manual and jam removal tool.

Main advantages

- **Power** - Unmatched 105J power for a superior capacity versus other gas nailers and battery actuated tools.
- **Accuracy** – High success rate performance on hard materials and optimal precision for seam less operation.
- **Dust Protection** - Effective steel mesh filter cover for higher tool protection and longer lifespan.
- **Accessibility** - Slim and longer nose, higher balance and light weight crucial for overhead applications.
- **Smart technology** – Quick and easy depth adjustments, computer controlled fan, light trigger with security control, battery LED indicator, easy fuel cell load, etc.

NEW FORCE ONE

The fastest and most reliable nail
gun for electrical installations to
concrete and steel.

Codes and Details

Code: FONE20US 1 Box
FORCE ONE Kit (see details on the left).
